What is HIDN?

We are eager to present you the first **Hide-And-Seek** Mobile App sustained by the blockchain that rewards you for using our App.

Thus, we created a completely brand new method of earning in crypto and we called it, **Hide-To-Earn!**

Moreover, HIDN Mobile App will be **Free-To-Play!** Anyone can create an account, connect their wallet and get into our immersive and exciting world!

Once our Mobile App is launched, at the end of every week, all of our users around the world will receive as a reward our native, **HIDN Token!**

HIDN Model

Since the dawn of digital world, Apps that rewards you for walking, running, completing certain tasks became popular. But with **HIDN**, we scaled up everything!

HIDN comes in as a bridge between the real world and the virtual world with Cryptocurrencies as rewards!

No matter if you walk around outside, sit at home, hang out with your friends, you will be able to log into our App and **Earn** our tokens!

By using an user-friendly interface similar to Google Maps, you will be able to jump right into action and start earning our tokens!

Initial Token Distribution

The Initial Token Distribution table shows you the way our tokenomics works.

Total Supply : 500,000,000 HDN Tokens

Initial Circulating Token Supply : 100,000,000 HDN Tokens

As more users win HDN Tokens, the Circulating Supply will increase.

The Foundation represents the tokens that will be rewarded to the users as they earn using our Mobile App.

Presale

For the Presale of our HIDN Token we will have 3 Phases:

Seed Sale — 10% of the Total Token Supply

Private Sale — 5% of the Total Token Supply

Public Sale — 5% of the Total Token Supply

In Tokens, that means:

Seed Sale — 50 Million Tokens

Private Sale — 25 Million Tokens

Public Sale — 25 Million Tokens

The Seed and Private Sales will have a vesting period:

Seed Sale — 12 months cliff and after that linear vesting

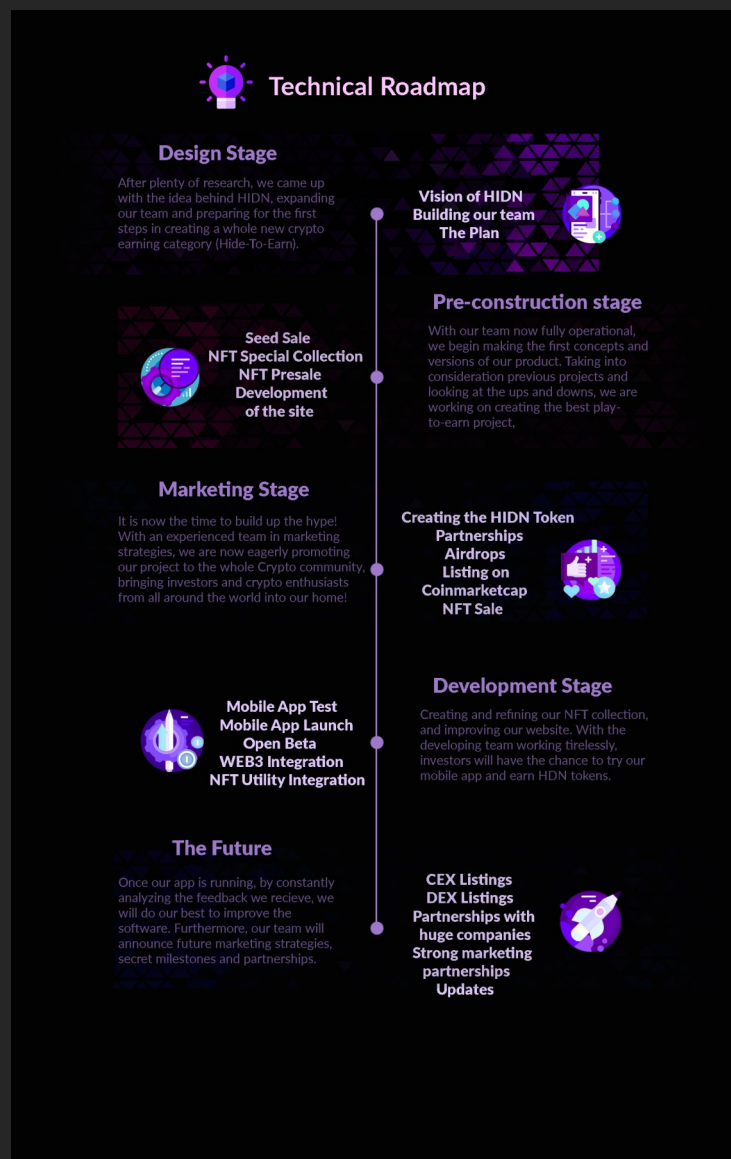

Private Sale — 6 months cliff and after that all tokens unlocked
